Artist's Statement:

The goal of the photograph (e.g., what the entrant had in mind when the photograph was taken and whether or not the goal was achieved): My goal was to capture a beautiful flower in my garden.

The emotional connection the entrant has with the photograph: Flowers bring me happiness.

The artistic aspect of the photo (e.g., how the composition makes it an appealing image to the student (e.g., lines, colours, textures): I love the combinations of the colours of the flower and grass together.

The scientific aspect of the photo: what fact, natural process or principle that is included or at work in the image; the Biome and/or Ecozone presented in the photo: It is grasslands.

Artist's Critique (e.g., how the photograph could be improved, e.g. with a different point of view, by getting closer or farther away, through a different time of day or type of sky, in a different season): I could take the picture when it was less windy.
